Dear Business Owner,

Tobyhanna Elementary Center, located in Pocono Pines, is a public school, educating students in grades K-6. The TEC PTO is a non-profit organization that plans and coordinates the raising of funds for programs, events and field trips that enrich our students learning.

This year the PTO will be hosting our *9th Annual Tricky Tray* on Saturday May 19th, 2018. The Tricky Tray is our school's largest fundraiser and the proceeds for this year will go towards assisting with the funding of field trips for each of our 700+ students and to support our 2018 TEC Scholarship Fund.

The success of our event depends on generous donations made from local businesses. We ask that you please consider offering a donation to our event. Gift cards, gift certificates, product baskets as well as promotional items are welcome. Donations are used as prizes and may be combined with baskets created by our committee and students. This event is also a great way to promote your business to our community.

Feel free to contact us using the phone number or email listed below and we are happy to arrange for pick-up of any baskets or items. Donations may also be mailed directly to our school using the address shown. Thank you in advance for your consideration and contribution to the student body of Tobyhanna Elementary Center.

We are beyond grateful for the support shown each year!
